

## INFORMATION MEETING for HIGH SCHOOL STUDENTS

Imagine being a member of a coalition of researchers, educators, and practitioners from many professions who work together to improve human health. We transform students into highly skilled health care practitioners who advance the health and well-being of society. Through research, we discover, evaluate, and implement new knowledge to improve models and methods of practice in pharmacy and health sciences from the urban to global levels. Arrive at your health career destination by accepting our invitation to explore the programs of the Eugene Applebaum College of Pharmacy and Health Sciences.

## imagine

### WHAT IS AN INFORMATION MEETING?

Information meetings are designed to answer your questions about the educational opportunities available in the Eugene Applebaum College of Pharmacy and Health Sciences.
