

Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): go ahead with your questions
Clinical Lab Science & Cytotechnology	ffahda	ffahda: Hello, I was wondering how many years this program is. As well, I'm currently a high school senior and I'm interested in applying into this major, are my odds of being accepted good? Is there are special requirements for this major?
Clinical Lab Science & Cytotechnology	ffahda	ffahda: are there*
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): The cls program is a bachelor's degree
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorShauna): yes please give us 1 sec
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): it is generally a 4 year degree
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): approx. 2 years to take the prereqs and 2 year in the professional program
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): sometimes it can take students longer to complete the prereqs
Clinical Lab Science & Cytotechnology	ffahda	ffahda: Is there any special courses I should take in high school to ensure admission? Or is it general university requirements?
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): odds are always changing...so last year they had approx. 58 applicants and they admit approx. 25 studnts
Clinical Lab Science & Cytotechnology	ffahda	ffahda: Are there a lot of job opportunities once you graduate?
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): yes
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): our students seem to have good opportunities once they graduate
Clinical Lab Science & Cytotechnology	ffahda	ffahda: Do you know an approximate salary?
Clinical Lab Science & Cytotechnology	ffahda	ffahda: What kind of masters degree are you able to do with this major to further yourself in the field.
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorJen): salary information can be found through the links on this page <a href="http://cphs.wayne.edu/cls/index.php">http://cphs.wayne.edu/cls/index.php</a>
Clinical Lab Science & Cytotechnology	wayneadmin	wayneadmin(AdvisorShauna): and the masters information is on that website too
Clinical Lab Science & Cytotechnology	ffahda	ffahda: thank you for your time! :)
