

## TRANSFER EQUIVALENCY GUIDE FOR MICHIGAN STATE UNIVERSITY

This guide is not a comprehensive list of all equivalent courses. It reflects the most current courses offered by the Michigan State University that will fulfill the prerequisites for the programs listed below. Older courses not listed on this chart may also fulfill the prerequisites for these programs. Please refer to Wayne State University's Transfer Credit website [www.transfercredit.wayne.edu](http://www.transfercredit.wayne.edu) for a more comprehensive list of courses that may fulfill these prerequisites. All prerequisites and general education requirements must have a minimum grade of C/2.0. All courses must be for grade. Pass/Fail and Satisfactory/Unsatisfactory grades are not accepted. All science prerequisites must be completed within six years prior to admission into the program. Prerequisites and equivalent courses change. It is the responsibility of the student to keep current with any changes to the prerequisites and equivalent courses.
