This guide is not a comprehensive list of all equivalent courses. It reflects the most current courses offered by Oakland Community College that will fulfill the prerequisites for the programs listed below. Older courses not listed on this chart may also fulfill the prerequisites for these programs. Please refer to Wayne State University’s Transfer Credit website www.transfercredit.wayne.edu for a more comprehensive list of courses that may fulfill these prerequisites. All prerequisites must have a minimum grade of C/2.0. All courses must be for grade. Pass/Fail and Satisfactory/Unsatisfactory grades are not accepted. All science prerequisites must be completed within six years prior to admission into the program. Prerequisites and equivalent courses change. It is the responsibility of the student to keep current with any changes to the prerequisites and equivalent courses.

Students who transfer to Wayne State University with an Associate of Arts (A.A.) or an Associate of Science (A.S.) degree or have a MTA satisfied transcript do not have to complete the general education requirements. All courses that fulfill the general education requirements must have a grade of C/2.0 or higher.

An Associate in Applied Science (A.A.S.), an Associate of Business (A. B.), or an Associate in General Studies (A.G.S.) does not fulfill the general education requirements. If you have an Associate in Applied Science, an Associate in Business, or an Associate in General Studies, you will be required to complete all of the general education requirements unless you have a MTA satisfied transcript.

(1) For the physical therapy program, biology course must be taken for 3 credits. Course cannot be a duplicate of course(s) that fulfill a prerequisite. Biochemistry, Kinesiology, Athletic Training or Sports Medicine are not accepted.

(2) The physical therapy program only requires two chemistry courses with at least one lab and topics do not overlap. Options include CHM 1020 or 1220/1230, CHM 1030 or CHM 1240/1250 or CHM 2220/2230.

(3) For the pharmacy program, you must have at least six semester credit hours of anatomy and physiology with at least three semester credit hours of anatomy of physiology at the 3000-level or higher.

(1) You have the option of either taking PHI 1050/Critical thinking as course work or you can take the Critical Thinking Competency Exam. To make arrangements to this exam, contact Wayne State University’s Office of Testing, Evaluation, and Research Services at www.testing.wayne.edu.

(2) For the Occupational Therapy program, you need to take a social inquiry course. Look at the next page under “General Education Requirements” for information that can assist with the fulfillment of this prerequisite. PS 1010 or equivalent cannot be used to fulfill social inquiry requirement.

(3) For the Mortuary Science program, applicants may follow the previous program-specific prerequisite requirements until Fall 2020. All students must follow the new General Education requirements as of Fall 2019. Students who enrolled at Wayne State prior to Fall 2018 can choose to follow the new general education program or the previous requirements. See http://cphs.wayne.edu/mortuary-science/admissions.php for more information. Transfer equivalents for the previous program-specific prerequisites can be found at http://transfercredit.wayne.edu.
