Graduation and Employment Status for Doctor of Pharmacy

Eugene Applebaum College of Pharmacy and Health Sciences
2022
Graduation Rate

- Class of 2022
  - 96 students graduated
- 94% graduated on time
- 98% overall expected graduation rate
Employment Status at Graduation

Note: On 2021 survey, added option “not choosing to enter employment at this time” - 2.8%. No individuals in Class of 2022 responded as such.
Three Years from now, I expect to be practicing in or as:

- Community Pharmacy: 41%
- General Institutional: 22%
- Specialized Institutional Practice: 11%
- Ambulatory Care: 4%
- Pharmaceutical Industry: 1%
- Academic Pharmacy: 18%
- Other-Pharmacy Practice position: 1%
- Other-Position not working in pharmacy: 2%
- Class of 2022: 2%
For 2022 graduates under “other” four individuals (4.4%) are going into fellowship (1 industry, 3 organization-based)
Employment Location - I plan to be employed next year in:

- Southeast MI (Wayne, Oakland, Macomb): 64%
- Non-SE MI counties: 19%
- States other than MI: 14%
- Ontario, Canada: 2%
Three Years from now, I expect to be practicing in or as:
