"I love the program! I am amazed by how much I have learned and experienced within the past two years of the program. I have had the opportunity to work alongside registered radiologic technologists, doctors and many other personnel at Henry Ford Hospital in Detroit."

-Madisyn Aleks c/o 2021
Now MRI Technologist at Henry Ford Hospital

"With the help of Henry Ford Hospital, all the technologists, our program director and clinical coordinator, I am fully prepared to become a Rad Tech. I have also created a family within Henry Ford Hospital and with my classmates, who made the program so much more memorable. I have enjoyed the program and seeing how much I have grown in almost two years."

-Laylia Ali c/o 2021
